WHEREAS, the Village Board of Trustees of the Village of Williamsville, in the County of Erie, New York (the “Village”) desires to undertake the reconstruction of and construction of improvements to various roads in the Village;

NOW THEREFORE,

BE IT RESOLVED, by the Board (by the favorable vote of not less than two-thirds of all the members of the Board of Trustees) as follows:

SECTION 1. The Village is hereby authorized to undertake the reconstruction of and construction of improvements to various roads in the Village including, but not limited to, the construction of ADA accessible curb ramps and associated concrete sidewalk and curbs, the installation of raised crosswalks and a rapid flashing beacon, as well as other improvements as more fully identified in (or contemplated by) a report prepared in connection with such project, including all preliminary work and necessary equipment, materials and site work and any preliminary costs and costs incidental thereto and in connection with the financing thereof (collectively, the “Purpose”). The estimated maximum cost of the Purpose is \$450,000.

SECTION 2. The Village Board of Trustees plans to finance the estimated maximum cost of the Purpose by the issuance of serial bonds of the Village in an aggregate principal amount not to exceed \$450,000 hereby authorized to be issued therefor pursuant to the Local Finance Law, such amount to be offset by any federal, state, county and/or local funds received. Unless paid from other sources or charges, the cost of such improvements is to be paid by the levy and collection of taxes on all taxable real property in the Village to pay the principal of said bonds and the interest thereon as the same shall become due and payable.

SECTION 3. It is hereby determined that the Purpose is an object or purpose described in subdivision 20(b) of Section 11.00 of the Local Finance Law, and that the period of probable usefulness of the Purpose is ten years.

SECTION 4. Current funds are not required to be provided prior to the issuance of the bonds authorized by this resolution or any notes issued in anticipation of the sale of such bonds.

SECTION 5. It is hereby determined the proposed maturity of the obligations authorized by this resolution will be in excess of five years.

SECTION 6. The faith and credit of the Village are hereby irrevocably pledged for the payment of the principal of and interest on such bonds (and any bond anticipation notes issued in anticipation of the sale of such bonds) as the same respectively become due and payable. An annual appropriation will be made in each year sufficient to pay the principal of and interest on such bonds or notes becoming due and payable in such year. Unless paid from other sources or charges, there will annually be levied on all the taxable real property of the Village a tax sufficient to pay the principal of and interest on such bonds or notes as the same become due and payable.

SECTION 7. with the understanding that no such call for redemption will be made unless such notice of redemption shall have first been filed with the Village Clerk.

SECTION 12. The Village hereby determines that the Purpose is a Type II action that will not have a significant effect on the environment and, therefore, no other determination or procedures under the State Environmental Quality Review Act (“SEQRA”) are required.
