

VILLAGE OF WILLIAMSVILLE - THE MEETING HOUSE

5658 MAIN ST., WILLIAMSVILLE, NY 14221

RULES AND REGULATIONS

Built in 1871, the Village Meeting House has been named to the National Register of Historic Places

The following Rules & Regulations must be adhered to by anyone issued a permit:

1. The Meeting House is a smoke-free environment.
2. Please do not attach anything to the woodwork or walls.
3. No balloons, bubble maker machine or fog maker machine may be used inside.
4. No furniture or other items may be moved outside.
5. Building use is limited to the first floor only.
6. Reimbursement for any damages is the responsibility of the 'Applicant'.
7. **PIANO** - Piano must **NOT** be moved across the floor or from its present location (Damage could occur to the floor and the 2 trap doors that exist in the stage).
8. **SNOW REMOVAL** - The Village of Williamsville maintains snow removal of the driveway and sidewalks to the best of our ability. Should unforeseen circumstances cause the sidewalks to be blocked, a shovel is available for your convenience.
9. **HEAT** - When heat is required, renter is responsible for turning the heat on and off.
AIR CONDITIONING is available.
10. **PARKING** - is available in the designated lot at the rear of the building.
11. **LIGHTING** - String lights in the main hall are seasonal only. String lights remain up during December through early January.

A tour of the building can be arranged by calling Village Hall at 632-4120
