Office of Community Development

Friday, March 20, 2020

Dear Member of the Williamsville Community,

The Village of Williamsville understands that this is a difficult time for the community, its residents and businesses.

We hope that everyone is remaining healthy and safe as together we navigate through this viral pandemic and its affects on society.

Below are links that can assist residents and business owners find answers to any questions they may have at this time. Feel free to forward this to anyone you know who may be seeking answers or assistance from the government.

Additionally, please remember to visit www.WalkableWilliamsville.com for the most up-to-date details on how preventive measures associated with COVID-19 are effecting government operations in the Village of Williamsville. Village Hall can also be reached by calling 716-632-4120.

Stay well and we will see you soon!

Keaton T. DePriest
Director of Community Development
Village of Williamsville
